## 10% De Minimis Indirect Cost Rate Form

This form is for Idaho Pacific Coastal Salmon Recovery Fund (PCSRF) Program applicants requesting a 10% de minimis indirect cost rate of modified total direct costs (MTDC) in their budgets. This rate is only available to nonfederal entities that have never received a federally negotiated indirect cost rate agreement (NICRA), excluding state or local government agencies that receive more than \$35 million in direct federal funds.

I certify that the \_\_\_\_\_ is not a government agency that receives more than \$35 million in federal funds, has never received a federally negotiated indirect cost rate agreement (NICRA), and, if the proposal referenced below is approved for funding by the Idaho PCSRF Board, that:

- 1) Costs incurred will be consistently charged as either indirect or direct costs throughout this organization,
- 2) Costs will not be double charged or inconsistently charged as both, and
- 3) This methodology will be used consistently for all federal awards until such time this organization chooses to negotiate for a rate.
